

Careers Open Morning
Saturday 20th May 2017

Dear Parent/Carer,

Niftylift are pleased to invite our students to a Careers themed Open Morning at Niftylift's world headquarters in Shenley Wood, Milton Keynes on Saturday 20th of May 2017.

Find out about our Engineering Apprenticeship
and Undergraduate opportunities

The morning will run from 9:00am until 11:00am and will offer students a chance to find out about our Engineering Apprenticeship and Undergraduate opportunities, and some of the other career paths available with a globally recognised design, engineering and manufacturing company.

We would be pleased for students to be accompanied by parents/carer's and refreshments will be available to all those attending.

For all students interested in attending, please email Mr Digby the following information (please respond by 31st April):

- Student's name, contact number and email
- Student's School and School Year
- Parent / Carer's name
- Number of people including the student(s) who would like to attend
- How the group will be travelling to the open morning

We hope that you will accept our invitation to explore the exciting opportunities available with a world-class, locally based company.

I hope to hear from you soon.

Mr Digby (digbyk@denbigh.net)
