

“Summer Scorcher Continues at Denbigh”

Students are having their ‘day in the sun’ at Denbigh School, with two thirds of grades awarded in the Core subjects of English, Mathematics, Sciences, History and Languages as a ‘Strong Pass’ or better, including over two hundred of the very top grades at 8 and 9. Denbigh recorded a ten percent increase in the number of students achieving English and Mathematics at grade 5 and above.

Students, staff and parents have worked determinedly this year in order to get to grips with the new GCSEs. It is a testament to their hard work that a massive 90% of students achieved a grade 4 pass in English or Maths, one of the Government’s key measures. The top twenty students managed to secure the equivalent of 10 grades at 8 or 9.

Andy Squires, Headteacher, said:

“I am very pleased with the results this year. We have a very dedicated set of staff, students and parents who have worked tirelessly to help students secure their best results and navigate their way through what can be a very stressful time. Today has been a very busy day, celebrating with our students and welcoming students into our Sixth Form, from right across Milton Keynes, with their strong GCSE results”.
