Denbigh School becomes a Microsoft Showcase School

Denbigh School has been selected by Microsoft as a Microsoft Showcase School in recognition of being a global leader in successfully integrating technology into teaching and learning in schools. Denbigh is one of only 34 schools in the country to receive this recognition.

Denbigh joins an exclusive community of Microsoft Showcase schools around the world. They work closely with Microsoft to lead technological innovation in education and mentor other schools both locally and around the World.

Andy Squires, Headteacher of Denbigh School said: 'Being selected as a Microsoft Showcase School is an amazing honour and recognition of the passion our teachers have for creating the most technologically advanced learning environment possible.'

Notes to Editors

Microsoft Showcase Schools have many benefits including the ability to communicate directly with one another, participation in an exclusive online global community, and the opportunity to host and attend educational leader events.
