

Denbigh

A close-up photograph of a person's hands playing a black Yamaha keyboard. Sheet music is visible on the stand above the keyboard. The image has a purple and pink color overlay.

**Creative Arts and Arts Awards
Ceremony 2023**

Welcome from the Headteacher

Welcome to our 2023 Creative Arts and Arts Awards Ceremony, a celebration of our immensely talented and enthusiastic students in the Creative Arts and Arts subjects who bring such vitality and excitement to our school community.

As you will see from the brochure, each subject has nominated students for Denbigh Curriculum Awards, which recognise students who have excelled academically or have made an outstanding contribution to the subject during their studies this year. There are awards for students from Years 7 to 11 and for Post 16 students. We are also giving 'Lifetime Achievement Awards' to Year 13 students in recognition of the outstanding contribution they have made to the Creative Arts throughout their time with us. These students have shown huge commitment to the Creative Arts and created wonderful memories for themselves, their friends and families, and our school.

This year has seen a return to Creative Arts performances in front of audiences of families and friends. We have enjoyed the Ensemble Evenings held throughout the year showcasing our singers, musicians, dancers, actors and artists. In the Arts subjects, students have competed in regional and national competitions and challenges. We always encourage our students to compete with their peers, as these experiences allow them to deepen their subject knowledge, develop confidence in themselves and create wonderful memories.

Some of this year's highlights have been Sixth Form and Year 11 students learning more about the workings of the legal system by competing in the Bar Mock Trial and MK Magistrates competitions respectively. Four students have been School Ambassadors for the Holocaust Education Trust and have spread the message of what happened in the Holocaust to the rest of the student body and two of our A Level Geography students spent a week in the MK City Council's Town Planning Department as part of the RTPi's 'Explore Programme'.

Thank you for joining us today and helping to make this such a special event for our students and the School as a whole.

Dr Andrea Frame, Headteacher

The Creative Arts Subjects

Denbigh Curriculum Awards

The following students have been recognised for academic achievement, or for making an outstanding contribution to their subject during 2022 – 2023.
