## Year 11 students celebrate top GCSE grades on results day

It was a day of huge celebration as our Year 11 students received their GCSE examination results. The students were able to celebrate their outstanding results with teachers, families and friends. The top 16 GCSE students scored an average of Grade 8 or above across all their subjects and the top 55 students scored an average of Grade 7 and above. This is a brilliant achievement, and we are very proud of them.

Our top ten performing students were:

Headteacher, Dr Andrea Frame said: 'It has been a wonderful day of celebration in-school, and I am delighted for our students who have received such excellent results today. Their hard work and commitment has been rewarded and they have truly demonstrated our school values of 'being engaged, being kind and respectful, and doing no harm'. It was lovely to see them share the moment with their families and teachers whose support and encouragement has been crucial to their success. We wish all our students the very best in the next stage of

their educational journey and look forward to welcoming the majority of them into our Sixth Form in September.'
